

## RETURNING MY UNIT - CHECKLIST

Not long now until you meet your little one! We want to make things easy, so we've included a simple checklist to help you return your Babycare TENS unit. Your hire lasts for 7 weeks from the invoice date, but don't worry—we're here if you need anything!

**Cut out the return slip**

The return slip can be found at the bottom of your invoice.

**Inventory check**

Ensure you return the following loaned items:

- TENS unit       Lead wires x 3  
 Manual       Neck cord

**Clean all loaned items**

We would appreciate it if you could wipe over your loaned unit and lead wires upon return.

**Do not return used electrodes or batteries.**

**Put items inside Jiffy bag provided**

A padded envelope can also be used if Jiffy bag is misplaced. Please secure with a strip of tape.

**Remember to keep your bottle bag**

A little gift from us to you—your bottle cooler bag is yours to keep! No need to send it back.

**Check the return address**

Your hire must be returned to:

**Freepost RUHU-UAYS-GAAU**

Body Clock Health Care Ltd

108 George Lane

LONDON

E18 1AD

Please keep your certificate of postage for a minimum of 3 months.

### A few additional points to note:

All units are checked prior to dispatch but we suggest you test the unit on receipt to ensure that no damage has occurred during transit.

We know babies arrive on their own schedule! If yours is running late, just let us know and we'll extend your hire by 7 days for just £10 per week.

For terms and conditions please see your invoice or visit [www.babycaretens.com](http://www.babycaretens.com).

Best wishes,

Babycare TENS.
